

DIRECTIONS TO BANGLAMUNG LAND TRANSPORT OFFICE (LTO)

Pattaya and surrounding area residents obtain their driving license(s) or register their vehicles and pay annual road tax at the Banglamung District Land Transport Office located near the Regent School off of Highway 36 (Banglamung to Rayong).

From Pattaya, one can use the Sukhumvit to Highway 36 route or the Motorway 7 route, the latter is quicker but requires a small toll. Getting to the vicinity is relatively easy, but since the LTO is off the main highway, the following directions with maps and photos may be helpful.

The photos below apply to either route and show the road off of Highway 36 and on to the LTO

Using the Motorway 7 Route

Take the Motorway 7 exit from Sukhumvit Road and continue to the Highway 36 (Banglamung – Rayong) exit. Exit toward Banglamung.

Soon after passing the Regent School on the left there will be a 7-11 at the junction with the Road to the LTO (see photo on page 1). Turn left and follow the road keeping to the left when it branches, the LTO will be on the right hand side.

Using the Highway 36 Route

Take Sukhumvit Road (Hwy 3) North and take the Highway 36 exit to Rayong. Continue on until you see the Regent School to your right. Stay on Highway 36 past the Highway 7 exit. Shortly thereafter make a U-Turn to head back toward Banglamung passing the Regent School now on your left. Soon after passing the Regent School there will be a 7-11 at the junction with the Road to the LTO (see photos on page 1). Turn left and follow the road keeping to the left when it branches, the LTO will be on the right hand side.
