## Why Prepaid Funeral Services

Allison Monkhouse Thailand , subsidiary of the Australian Group Allison Monkhouse , is active in Thailand for more than 15 ans and is specialised in the organisation of Funeral Services .Since 2004 , we launched a new service of Prepaid Funeral Services specific to Thailand and designed to meet the needs of expatriates living in the Kingdom

This Prepaid Funeral Services are chosen by expatriates in order to plan Funeral Services in advance , according to their preferences , and to avoid the burden of fulfilling administrative procedures in difficult and emotional times

The Funeral Pre Paid Mandates are signed with our Company to list in advance the choice(s) of Funeral Services that will be provided after the passing .This Mandates are legally bound and offer the best guarantee of service and reliability in Thailand

## How does Pre Paid Funeral Plan work ?

- ❑ Secure an appointment with a funeral consultant by calling our Prepaid Funeral team at **02 2608339** or obtain the description of our services by mail at **allisonmonkhouse.com**
- ❑ Receive an itemized quotation prepared according to the list of Funeral services chosen by you
- ❑ Finalise a Notarised Contract with our Company , in order to ratify all the terms and list your wishes and requirements
- ❑ The Contract can be cancelled anytime with a 10 % Administration fees
- ❑ The money is not accessible by Allison Monkhouse until the Prepaid Funeral Services have been provided
- ❑ The price of the Funeral Services charged will not changed ( except if any new specific request are made or if non listed expenses occur )

## What are the options of Funeral Services

There are two types of Mandates available :

**The Cremation Mandate** that covers the Cremation of the Ashes according to the Thai Buddhist Tradition

**The Repatriation of Remains Mandate** that is organised after embalment to the country of origin or any destination

Both Mandates include the completion of administrative proceedings by our agents : Declaration of Death at City Hall , Issuance of Death Report by the hospital , Issuance of Death Certificate and Autorisation to Cremate or to Repatriate , coordination between the hospital , the police if required and of course communication with your family

For each type of Mandate there are specific Services that can be chosen to accomodate specific needs and requ/or requirements
