

For renewal of your Thai driving license, it is necessary to show the Department of Land Transport (DLT) that you have viewed a one hour video about driving in Thailand. [Click here](#) to access the DLT's eLEARNING page. An announcement in Thai may pop up, just click the "X" to close it. The following steps are involved:

**Step 1** – Click on the Register button

**Step 2** – Enter your information. Note, the system will generate a password, e.g. [P] [USA] [passport number] if from USA.

**Step 3** – Click on “1” for Pre-Test

Private driving licence (Motorcycle, Tricycle, Car) training 1 hour

1.Pre-test 2.Training 3.Post-test 4.Training results

**Start the process by selecting the pre-test**

**Step 4** – Answer the 3 pre-test questions

### Pre-test

Before changing lanes or turning, the turn signal should be given how many metres in advance?

- ☐ 3 metres
- ☐ 30 metres
- ☐ 10 metres
- ☐ 15 metres

Which of the following is the main cause of collisions?

- ☐ Tailgating
- ☐ Low tyre pressure
- ☐ Traffic lights suddenly changing
- ☐ Slowing down for a yellow light

What should you do when going through a flooded area?

- ☐ Never use the brakes
- ☐ Drive as close to the vehicle in front of you as possible
- ☐ Use your emergency lights
- ☐ Drive slowly and keep back a reasonable distance from the vehicle in front of you

**Answer**

**Answer the above 3 questions**

### **Step 5 – View the video**

The first part is in Thai with English subtitles; the last part is in English.

**Note:** If you switch to a new tab in your browser, the video may stop playing. During the video, a pre-test question in order will pop up requiring you to answer it for the video to resume.

#### Private driving licence

**Play the video - it is in Thai with English subtitles**

**Step 6 – At the end of the video, you will need to answer 3 Post Test questions which are the same as in the Pre-Test.**

**Click on answer and it will show the correct answers to the questions, highlighted in green.**

#### Post test

Before changing lanes or turning, the turn signal should be given how many metres in advance?

- ☐ 3 metres
- ☐ 30 metres
- ☐ 10 metres
- ☐ 15 metres

Which of the following is the main cause of collisions?

- ☐ Tailgating
- ☐ Low tyre pressure
- ☐ Traffic lights suddenly changing
- ☐ Slowing down for a yellow light

What should you do when going through a flooded area?

- ☐ Never use the brakes
- ☐ Drive as close to the vehicle in front of you as possible
- ☐ Use your emergency lights
- ☐ Drive slowly and keep back a reasonable distance from the vehicle in front of you

Answer

**You will receive this message super imposed over the Post Test questions. Click on the Next button to get the results page you will need for the DLT**

## Training passed

Congratulations  
for having successfully renewed  
your driving licence.

Next

**Step 7 – Take a screen shot of the results page and print it out as you will need to include it with your other documents when you apply for renewal of the license.**

**It will include your passport number and the date you completed the video training. This is valid for use up to 6 months from the date of issuance.**
